# Little Passports®

# Sea Turtle Pal

Green sea turtles may start off small—only two inches long—but they eventually grow to be up to four feet long and 400 pounds. They are the largest hard-shelled turtles in the world!

**Create your own baby green sea turtle!**

**Tip:** Print on cardstock for a longer-lasting puppet.

### Directions
1. Color and cut out turtle parts.
2. Add glue to the GLUE HERE area.
3. Overlap the straight edges so the turtle's shell creates a cone shape, then press to glue into place.
4. Fold the turtle's arms and legs along the dotted lines.
5. You did it! You've just made a baby turtle friend!
