

Parols

Tip: Print on cardstock for sturdy parols.

Not included: string

1. Color the shapes. Cut the shapes out, including the gray shapes.
2. Fold the tabs on the edges of the strip along the dotted lines.
3. Apply glue to the edge of the solid circle shape, then guide the strip around it, sticking the tabs to the glue.
4. Glue the exposed strip tabs and place the circle with cutouts onto them.
5. Glue a loop of string to the top of the back piece and hang.
